Students are free to hop on the subway/public transportation with other student travelers and explore the cities in the afternoons and evening!

Financial Aid: There are possibilities to wrap the costs of this TraveLearn into your financial aid on a case-by-case basis if taking six credits. Contact your financial aid advisor so they can review your financial situation. Those who have Pell Grants or PHEAA (PA state residents) that take six credits in the summer can apply this FREE money toward the cost of the Travelearn. We also help students fundraise the remaining amount of money through a personalized letter campaign to friends and family of each student. Please note that gifts are not tax deductible because this is an academic trip.
