

# Refuse To Be A Victim.®

## **Millions Of People Are Victims of Crime Annually- Don't Be One Of Them!**

Safety experts agree that the single most important step toward ensuring your personal safety is making the conscious decision to Refuse To Be A Victim®. You stand a much better chance of preventing criminal confrontations if you develop a safety plan before you need it. That is why the Refuse To Be A Victim®, a crime prevention seminar, was developed by the National Rifle Association.

The seminar teaches easy to understand methods you can use to increase awareness and prevent criminal confrontation. In just ONE HOUR you will learn the tools you need to develop your own personal safety strategies, including information about:

- The Psychology of Criminal Predators
- Home & Cyber Security
- Automobile & Travel Security
- Personal & Technological Security
- SelfDefense Devices and Training Options
- And more!
